

REACH Declaration of Compliance for Axtron BV electronic assemblies

Axtron BV supports the goals of REACH (Registration, Evaluation, and Authorization of Chemicals) which are consistent with our own vision towards responsible use and handling of chemicals and hazardous substances.

This document clarifies that all parts, Axtron BV employs in process of manufacturing electronic assemblies,

- are compliant with REACH legislation
- are not intended to release hazardous substances during normal or reasonably foreseeable conditions of use
- do not contain any of the 181 SVHC (Substances of Very High Concern, REACH SVHC 181, updated 15th of January 2018) described by the ECHA (European Chemicals Agency) on January 15, 2018 at levels surpassing the threshold of 0.1% by weight

Axtron BV works actively with its suppliers to ensure continued compliance with REACH legislation. Furthermore, Axtron BV remains vigilant in monitoring the [SVHC candidate list](#) for new additions.
